ALEXANDRU BENZARI

Member of the Justice With Children Child and Youth Advisory Committee 2025

I am an 18-year-old student from Moldova, currently studying at the Centrul de Excelență în Medicină și Farmacie “Raisa Pacalo.” Passionate about justice and children's rights, I have been involved in various projects focused on human rights. I am committed to creating safe spaces for young people and amplifying their voices in decision-making processes. Through my volunteer work, including with TDH Moldova, I have gained valuable experience in communication, leadership, and advocacy, and I aim to continue making a positive impact in the field of children's rights.
