Preventing And Responding to Violence Affecting Children In Child Justice Systems”

CHILD AND YOUTH ADVISORY COMMITTEE

CARLA AMMARY

Member and Representative of the Jordan Satellite Event of the Justice With Children Child and Youth Advisory Committee 2025

Carla is a 17-year-old Jordanian youth advocate with a strong background in policy, debate, and climate action. As Deputy Secretary-General of her school’s MUN and President of her school’s debate club, she has helped engage young people in international affairs. She was awarded Best Delegate at Harvard Model Congress Middle East 2024 for her legislative work on climate-related food security.

Beyond debate, Carla is a YOUNGO member, contributing to UNFCCC climate finance discussions, and co-founded her school’s eco-club to promote sustainability. She also spearheaded fundraising initiatives, raising 25,000 dollars for humanitarian and social causes in the Levant, and serves as Editor-in-Chief of her school’s newspaper, which highlights inter-scholastic young Arab voices in the Jordanian capital, Amman.

At the World Congress on Justice with Children 2024, Carla hopes to bring insight in youth engagement, economic justice, and legal advocacy to discussions on strengthening justice systems for children.
